ENRICHING VIRTUES
TO SHOULDER
RESPONSIBILITIES

CORE VALUE

"Enriching Virtues To Shoulder Responsibilities" originates from the Chinese classic text "I Ching" [Book of Changes] and is also the school motto of Tsinghua University in Beijing.

Our firm adopts "Enriching Virtues To Shoulder Responsibilities" as our Core Value, which implies that persons with great virtues shall be able to shoulder responsibilities and gain respect and trust from others.

With the spirit of "Enriching Virtues To Shoulder Responsibilities", all our colleagues are dedicated to work with passion and best endeavours. Our clients' interests shall always be our utmost priority. Beyond these commitments, we shall also commit ourselves to fulfil the social responsibilities.
